

\$350 DIY WEBSITE CONSULT:

WHAT'S INCLUDED:

- * **An hour-long meeting** with our Lead Designer to:
 - Troubleshoot your current website issues
 - Answer general website & branding questions
 - Discuss our recommended updates or next steps
- * **A Customized PDF** after your meeting, clearly breaking down:
 - All updates discussed, plus any recommendations by the designer
 - Links to free tutorial videos and additional support
- * **Promotion of your website** and business on social media by JS Productions

Optional add on: hire JSP for any custom graphics, logos, photoshop work for your website (\$300 design minimum).

This package is designed for clients who want to take their website into their own hands!

Whether you want to build something yourself from scratch, or just need some advice to spruce up your existing site - you'll leave this meeting with a tangible, easy-to-use action plan to get the job done yourself! 💪
