## OPTIONAL ADD-ONS

**\$100 - CHECK-IN MEETING:** Let's see where you're at in your submission process - what's working, and where you could use some help. We'll use this hour however you need it most! Maybe we brainstorm new follow-up emails, look through your package to see if anything is missing, or answer burning questions that have come up. We can also use this time to prep for your meetings with reps. This can be a one-time session, or we can schedule a package of discounted weekly meetings to help keep you on track!

**\$50 - RESUME & SUBMISSION SPREADSHEET TEMPLATES:** Get both super clean, professional looking, editable templates to easily pop your own info into! You'll have both templates forever, and be able to update your own resume or submission spreadsheet from now on.

**\$150 - FOLLOW-UP POSTCARDS:** We'll design, order, and ship personalized follow-up postcards to your door so you can send them out to reps and casting directors!
